Hajj Tour Operator Security

UK tour operators offering Hajj packages that include flights must hold a Government Air Travel Organisers' Licence (ATOL) issued by the Civil Aviation Authority. They must also lodge a security bond with the CAA to protect payments they receive from pilgrims.

You should make sure your tour operator has this licence. Check at www.atol.org.uk

Advice to British Hajjis

Hajj December 2007

Prepared in co-operation with
British Muslim Communities

The Foreign & Commonwealth Office and the Hajj Advisory Group know how deeply important the Hajj is to all those who attend it. This year around 25,000 British Hajjis will attend the Hajj in order to perform this demanding and fulfilling act in the name of Allah, the most beneficent the most merciful. The aim of this leaflet is to assist British Hajjis in preparing for the Hajj and to explain what services the British Hajj Delegation can offer British Pilgrims in Saudi Arabia.

Health

Make sure that you have been vaccinated with the quadrivalent meningococcal vaccine (ACWY), which protects against four different strains of meningitis (A, C, W135 and Y). Consult your GP if you are in any doubt.

The Department of Health has advice for travellers, which can be found at:

www.dh.gov.uk/PolicyAndGuidance/HealthAdviceForTravellers/fs/en

Arrival and Departure at Jeddah's Hajj Terminal

The Saudi Authorities take their responsibilities very seriously, and the well-being of every Hajji is very important to them. But large numbers of Hajjis arriving and leaving can be daunting and it is natural that delays will occur when going through the terminal. There are basic facilities available at the terminal. However, you should be prepared for delays, especially when you are travelling with children and/or the elderly.

On arrival at the terminal the authorities will take your passports and give you a receipt. The Pilgrim Guides Establishment will hold it for you while you are performing the Hajj and will return it to you on departure.

Dual Nationals

The Saudi Authorities do not recognise dual nationality and may confiscate second passports. Pilgrims travelling on non-British passports are not entitled to assistance from the Consulate General. British Nationals who choose to travel on non-British passports should ensure that all British visas or endorsements are clearly shown in that passport. Any documentation required to re-enter the United Kingdom should be obtained before leaving the UK, to prevent any delays in returning.

Help and Assistance

We hope that you have a trouble-free Hajj. If something does go wrong, the British Hajj Delegation can provide consular and basic medical help (see below). The delegation is a team of volunteers from the British Muslim community. They will be in Saudi Arabia throughout the Hajj to provide help and assistance to British Hajjis. The Delegation will include a team of doctors who will offer initial treatment of illnesses and injuries. They will be accompanied by Muslim staff from the Foreign & Commonwealth Office who can offer consular support and advice. The Delegation will be located at the Grand Shubeika Hotel, Khalid bin Waleed Street, Makkah (see Useful Contact Details). Working with the British Consulate General in Jeddah, the Delegation will provide you with a full range of Consular services.

The Delegation can:

- provide information on how to transfer money
- provide contact details for local lawyers and hospitals
- arrange for a next of kin to be told of an accident or a death and advise on procedures
- offer initial medical advice and assistance

The Delegation cannot:

- become involved in any disagreements e.g. pilgrim and tour operator disputes, lost baggage disputes
- rearrange travel bookings
- pay your hotel, legal, medical or travel bills
- get you out of prison
- give legal advice
- intervene in court cases
- investigate a crime

The British Hajj Delegation 2007 is headed by Lord Patel of Blackburn.

In the name of Allah, the most beneficent the most merciful
