Dear Mr. Furzer,

Re: Commercial export of Zam Zam Water

We refer to our exchange of emails on the above subject.

We have now received communication from our Ministry of Commerce & Industry, Foreign Trade Department who inform us that: Zam Zam water is listed by Saudi Customs amongst the prohibited commodities for export.

It is also not allowed to officially trade in Zam Zam water within or outside the Kingdom of Saudi Arabia.

We hope the above information will assist with your enquiry.

Yours sincerely,

Hassan Khayat

Commercial Attaché
